

XCraving Formula®

With Cassava Source Ascorbic Acid

(Hypoallergenic)

Item # 74910

Available in bottles of 300 grams

The Possible Benefits of XCraving Formula®, a Food Supplement

- Provides nutritional support for healthy metabolic rate
- Supports the body's ability to burn fat rather than store it

“Calcium can be estimated to reduce the prevalence of overweight... perhaps by as much as 60-80%. I believe that calcium's contribution to weight control may be greater than its contribution to prevent osteoporosis.” - Robert Heaney, M.D., Journal of Nutrition, author of over 300 papers on calcium and vitamin D

Description

XCraving® Formula contains Allergy Research Group's Buffered Vitamin C with additional nutrients that support insulin function and healthy blood sugar regulation within normal levels, and the metabolism of calcium, helping

to sustain an appropriate metabolic rate. Together, these nutrients support the body's ability to burn fat rather than store it. Developed by Stephen A. Levine, Ph.D.

Serving size: 4 sprays (2.5 mL)

Servings per container: 50

Each serving (1 heaping teaspoon or 4.7 grams) contains:

Vitamin C (as Ascorbic Acid Cassava Root Source)	2000 mg
Vitamin D3 (as Cholecalciferol)	100 IU
Vitamin K1 (as Phytonadione)	500 µg
Vitamin B6 (as Pyridoxine Hydrochloride)	2.5 mg
Calcium (85% as Calcium Carbonate and 15% as Coral Calcium)	450 mg
Magnesium (as Magnesium Carbonate)	200 mg
Potassium (as Potassium Carbonate)	84 mg
Boron (as Boron Citrate)	1 mg
L-Lysine	40 mg

Other ingredients: Cellulose, xylitol, lemon flavour.

Suggested Use: As a food supplement, 1 heaping teaspoon or more in 8-12 ounces of liquid, between meals, or as directed by a healthcare practitioner. Two teaspoons supply approximately the recommended dietary allowances for calcium and magnesium.

Warning: Vitamin K over the RDI level (80 mcg) is contraindicated with use of blood thinning medications.
